So much of Dreyfus could be remedied, but not the Jew-part. Zola could accuse all he wanted, but the vicious core in everything resists forever.

Against his case still, how many later went to Vichy for the anti-Semite waters? Aiding later the transport of undesirables as post-bath afterthought.

That was then. And Christian. Now, if Jewish, don’t find yourself fork-lifted into a furnace in the name of all that’s Decent.
